***"COMING TOGETHER IS THE BEGINNING. KEEPING TOGETHER IS PROGRESS. WORKING TOGETHER IS SUCCESS."***

Welcome all to the Cranleigh Youth Football club and Chelsea FC Foundation newsletter. In this edition you will be updated on all of the latest news and what has happened since the two football clubs have been delivering together.

As some of you are aware Chelsea FC Foundation since late August 2018 have been involved in sporadic coaching sessions with various age groups throughout this season. This started with a pre season camp at Snoxhall and then working on a Thursday evening during November with the U13s and U14s age groups.

We are now delighted to announce that Cranleigh Youth Football club are working with Foundation coaches from Chelsea FC Foundation this season, to enhance our coaching and raise the standard of play at the club on a more regular basis. Through this, the coaches and managers at the club will gain additional input from experienced coaches who train players of every ability, including academy players.

The Chelsea FC Foundation coaches will be rotated through the age groups to give all teams access to these sessions. In addition, Chelsea FC Foundation would like to host a "coach the coaches" evening at the club's 1st class training facility in Cobham. This will enable our coaches & managers to see first-hand how Chelsea FC Foundation train their players in an elite environment and how it can be translated at grassroots level.

Spencer Adams from Cranleigh Youth Football Club said ***"Working with Chelsea FC Foundation is fantastic for Cranleigh Youth FC. It adds a different level of coaching, and the players love training with coaches from a Premier League club."***

Cranleigh Youth Football Club would also like to give a special mention to our club sponsor Bellway Homes. Thank you for your support and for making this possible.
